

SMİİTH & MOULD®

ARCHITECTURAL SOLUTIONS

Welcome to Smith & Mould.

Metal is versatile, fluid and can be moulded into infinite possibilities. For us, ceilings and facades provide a canvas to every space - they don't just add personality & finesse but also create a safe haven.

We understand metal ceilings and facades in every form and push boundaries to help bring an artist's vision to life. We believe in creating bespoke ceilings and facades that are functional, backed by industry expertise and manufactured at a best-in-class facility.

We are Smith & Mould and we bring artistry in metal. Shorter Time Leads to Lower Overall Cost.

Our Expertise

Architects, Builders, Developers, & Designers persistently push boundaries to transform their ground-breaking ideas and renderings to life.

SMITH & MOULD steps in to fill in the blanks, bridging the void between customized design and traditional manufacturing, to nurture a new level of comprehensive calibre.

Customer satisfaction is our primary intent. our methods keep your approved design in budget and schedule.

Our creative team strive to arrive at solutions that fit the project requirements and provide systems with guaranteed long life and performance.

Since our company is based in India, one of the highest labour market in the world, most of our solutions are centred on speedy installations.
